

# Enhancing Pupil Wellbeing Through Partnerships.

DR. TIMOTHY LYNCH.

feeling good about  
ourselves - & the way  
our life is going.

## 3 Aspects of Wellbeing

- MINDFULNESS - Focus on the present
- EMPATHY -
- GRATITUDE

Students need to be comfortable and feel safe to learn.

We have a shared responsibility for student wellbeing.

Values - school values should reflect, enhance and support wellbeing.

Community links and partnerships help to give students an understanding of local culture - offers rich learning experiences.

Exchange in partnerships.

SHARING SKILLS, RESOURCES, KNOWLEDGE ETC.

UNESCO AND WHO HAVE GOALS RELATED TO WELLBEING.

... Than  
A  $\frac{1}{4}$  of  
partnerships link to and meet the goal that was set.

Term used as early as 1948.

PARTNERSHIPS TAKE WORK AND OFTEN FAIL.

You need to invest a lot into maintaining a partnership.
